Student Academic Progression & Portfolio Management System

Comprehensive GUI Section-wise Screenshots & Architectural Walkthrough

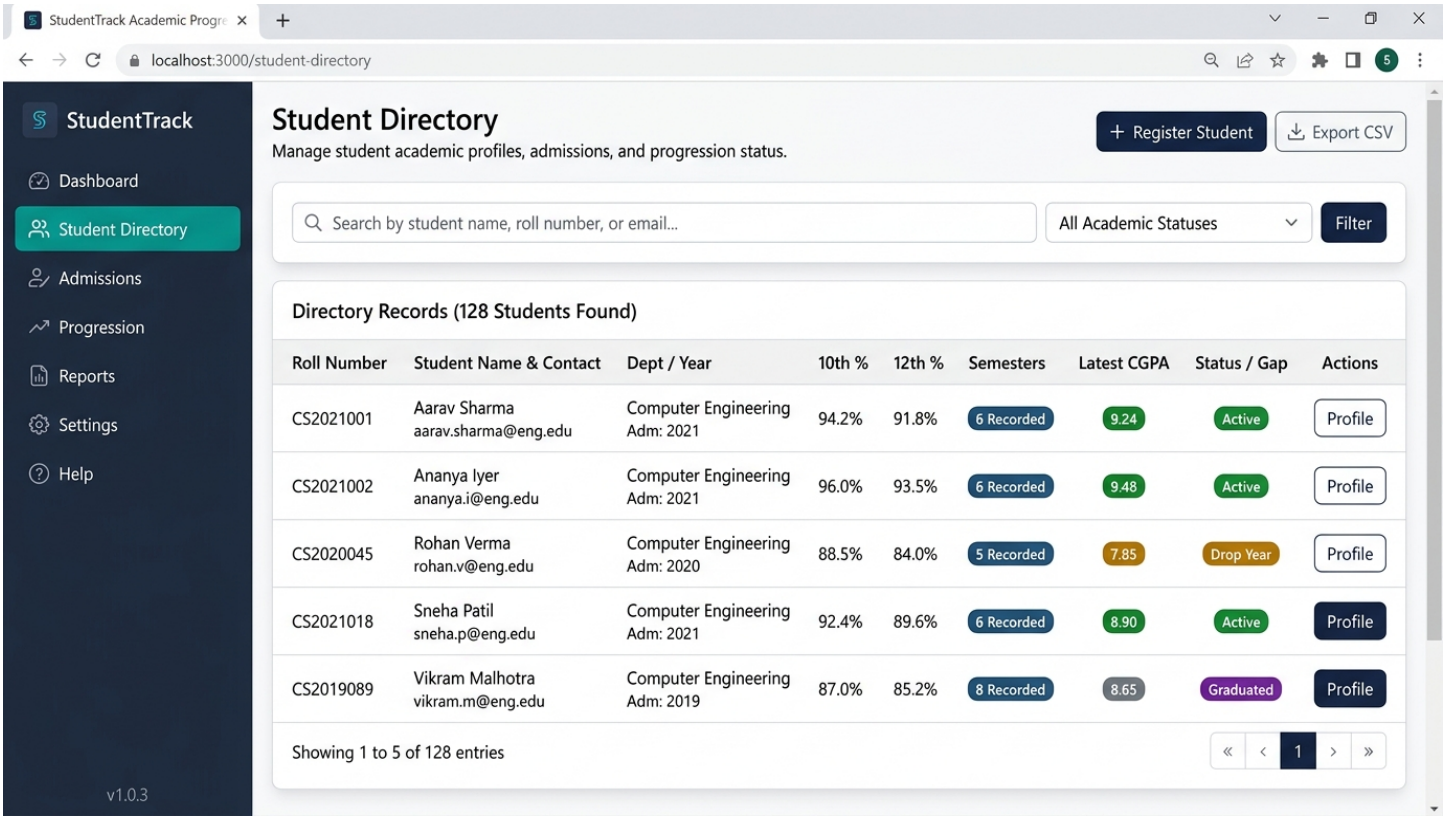

Section 1: Main Faculty Dashboard Overview

Displays macro metrics (Total Students, Semesters Recorded, Seminars & Activities, Average CGPA), Live Google Sheets Synchronization status indicator, recent activity highlights, and quick student directory access.

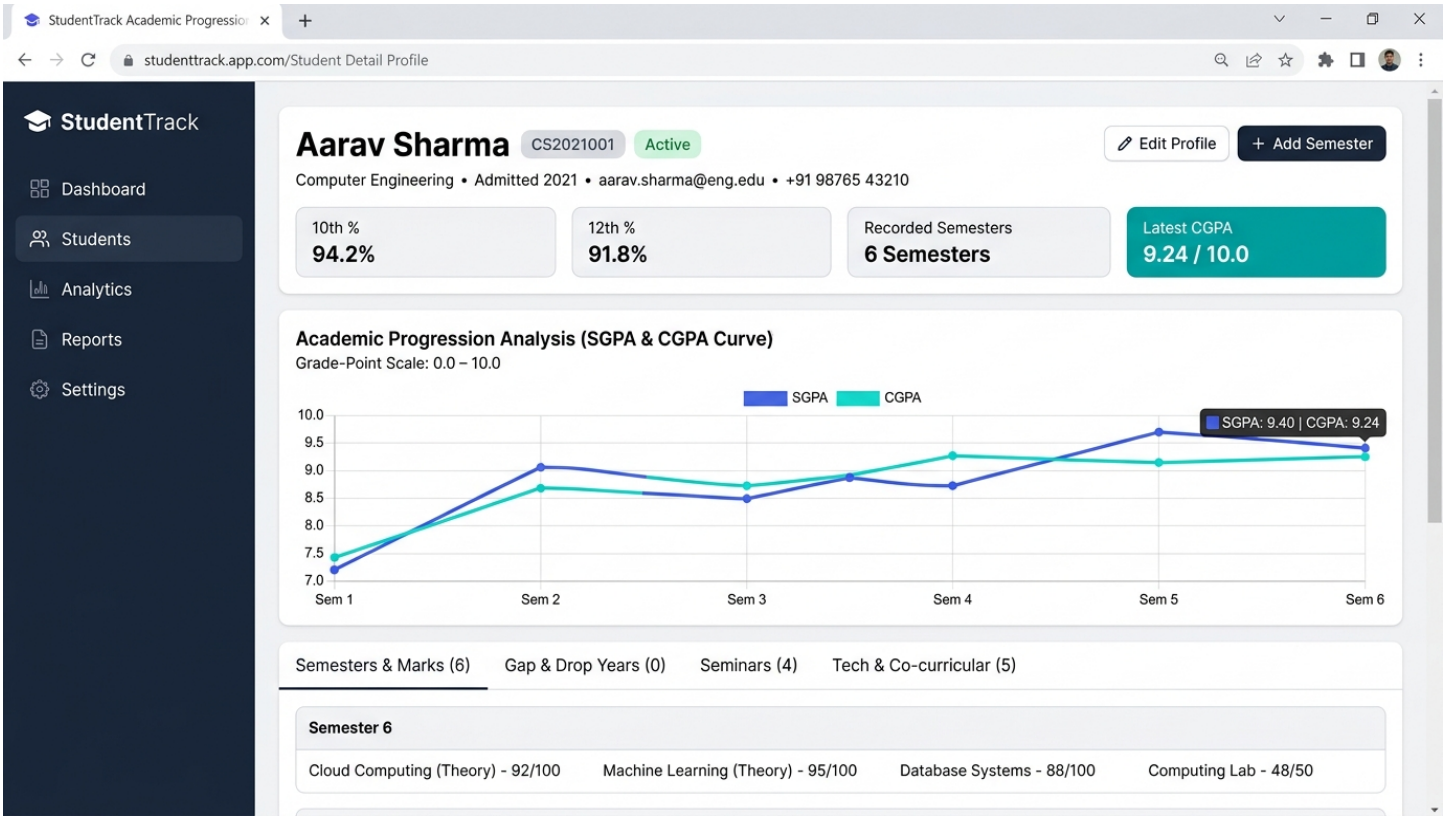

Section 2: Student Directory & Filtering Hub

Displays responsive, searchable, and filterable table of registered students with admission year, 10th/12th percentages, recorded semesters, status badges (Active, Drop Year, Graduated), CGPA indicators, and profile view triggers.

Section 3: Student Academic Profile & Chart Progression

Features comprehensive student academic header, dual Chart.js progression curve (SGPA and CGPA trends across semesters with broken spans for missing data), and categorized sub-tabs for theory & lab marks, seminars, and activities.
